# Safe Ride Program Report

- ❏ Description of alternative transportation programs
- ❏ Review of the literature and research
- ❏ Case studies of four Minnesota Safe Ride programs

# Minnesota case studies

- ❏ Breezy Point
- ❏ Cleveland
- ❏ Isanti County
- ❏ Quad Cities  
(Virginia, Eveleth,  
Gilbert &  
Mountain Iron)

# Breezy Point “Safe Ride”

- ❏ Privately owned and operated ride providers within 5 mile radius of Breezy Point, Crosslake, Emily, Gull Lake, and Pequot Lakes
- ❏ Since 2007 provides rides to, from and in between area bars and restaurants
- ❏ Funded by monthly bar and restaurant fees plus a rider fee
- ❏ 7 days/week; 6-10pm free to rider; 10pm-2am \$10 per rider
- ❏ 14 passenger mini busses
- ❏ Actual ride numbers not kept; estimate 600 rides/weekend in summer

# Cleveland PD “Sober Cab”

- ❏ Cleveland population: 800; no public transportation available
- ❏ Since 2003 PD provides free rides from bars, municipal liquor store, private residences within 10 miles of Cleveland
- ❏ 7 days/week; 6pm-2am (during police coverage); 2 squads used during holidays
- ❏ 2009: 80-100 rides; 145 people
- ❏ Funding: PD budget
- ❏ Website; fliers in bars

# Isanti County “SafeCab”

- ❏ Rides began 2005
- ❏ Commercial taxi company using mini vans
- ❏ Serving Isanti County
- ❏ Operates Thursday 6-11pm, Friday and Saturday 6pm-2am, and special events
- ❏ Free rides up to \$15; rider pays balance on rides > \$15
  - Funding: 1/3 bar, 1/3 beer distributor, 1/3 community
- ❏ Local media, judges, bars
- ❏ 2009 - 726 rides; 1,347 people

# Quad Cities “Last Call”

- ❏ Started December 2000
- ❏ Commercial cab company
- ❏ Serving Virginia, Eveleth, Gilbert, Mountain Iron
- ❏ Operates 24/7; whenever the bars are open
- ❏ Free to the rider
- ❏ Funding: 50% bar, 30% beer distributor, 20% taxi company; bar pays balance for trips > \$15
- ❏ Bar signs, word of mouth
- ❏ 2009 1,010 rides; 1,390 people

# Steps to creating a program

1. Assess community needs and readiness
2. Determine potential supporters
3. Call a meeting
4. Determine program service area
5. Choose or create transportation providers

# Steps to creating a program

6. Pick a program model
7. Establish hours and days of operation
8. Price services and attract funding
9. Determine program structure and management
10. Market the program
