

BUCKLE UP WITH BUCKY

Kristi Engelstad
F-M Ambulance

PROBLEM:

Ambulance crews were getting frustrated when responding to car crashes and finding kids who weren't in the proper restraints.

QUESTION:

Where does EMS fit in the “big picture” of TZD?

Engineering

Law Enforcement

Education

EMS

SOLUTION:

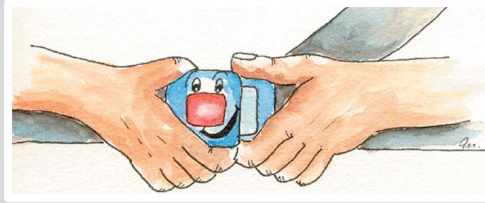

Make sure parents and children understand when they need to use a booster seat.

What is the best way to do this??

FEEDBACK

I'M INTERESTED – NOW WHAT???

- Where do I get the curriculum?
- What do I need to send you?
