

East Central Minnesota Toward Zero Deaths
3rd Annual Regional Workshop
Arrowwood Lodge 6967 Lake Forest Rd
Baxter, MN 56425
June 2, 2015

- | | |
|------------|---|
| 8 a.m. | Registration & Continental Breakfast |
| 8:30 a.m. | Welcome & Regional Accomplishments
<i>Dan Anderson, District engineer, MnDOT District 3 and TZD regional co-chair;</i>
<i>Tom Nixon, East Central Minnesota regional TZD coordinator;</i>
<i>Kristine Hernandez, Statewide TZD coordinator.</i> |
| 9:00 a.m. | Drugged Drivers
<i>Nick Otterson, Minnesota State Patrol, Drug Recognition Expert</i>
<i>Many activities in the drug culture happen right in plain sight and go unobserved.</i>
<i>Learn to identify situations where drug use may be a contributing factor. Everyone</i>
<i>will benefit from the information gained regarding this ever evolving issue.</i> |
| 9:45 a.m. | Break |
| 10:00 a.m. | Regional TZD Crash Facts overview
<i>Captain Sean Meagher, State Patrol, District 2800 and TZD regional co-chair;</i>
<i>Tom Dumont, MnDOT Traffic Engineer</i>
<i>Through case studies highlighting contributing factors in local crashes, participants</i>
<i>will see how crash data directly relates to actual incidents. A fatal review will be</i>
<i>conducted as attendees work to develop crash mitigation plan.</i> |
| 10:45 a.m. | Senior Driver Panel
<i>Dean Loidolt, Central MN Council on Aging</i>
<i>Brad Estochen, MnDOT OTST</i>
<i>Lisa Kons, Minnesota Safety Council</i>
<i>The silver tsunami is coming. What resources are available in your community to</i>
<i>assist older adult drivers. Attendees will learn about the challenges and opportunities</i>
<i>to assist the aging population with getting from A to B. Being fit for your car to</i>
<i>alternative transportation.</i> |
| 11:30 a.m. | Personal Impact Statement
<i>Frank Scherf</i> |
| Noon | Lunch & Exhibits |

12:45 p.m.	Breakout Sessions (two one-hour sessions):
12:45-1:45	<p>A. Solving the Mysteries of Ignition Interlock – <i>Jim Beauregard, Ignition Interlock Vendor Oversight liaison & retired Morris chief of police.</i> <i>Learn what to look for when stopping someone with an ignition interlock device. Beauregard will also review the circumventions he has seen with this device as well as discuss how the vendor oversight program works.</i></p> <p>B. Emerging trauma care trends <i>North Memorial Ambulance</i> <i>With growing changes in pre-hospital care and standards, this session will discuss spinal immobilization, hemodynamic management and airway management. Learn about protocol develop and implementation.</i></p> <p>C.
